Memorandum Order

Plaintiff's motion at ECF no. 34 for additional time to submit a complete copy of his complaint is granted to November 30, 2023.

Plaintiff's most recent motion styled "Motion for Clarity...", at ECF no. 39, is denied. It is premature (the complaint is not even complete, much less served) and procedurally improper. A litigant's *pro se* status does not imply that the Court or Clerk will act as the litigant's paralegal.
